TEXAS ASSOCIATION OF SPORTS OFFICIALS BASEBALL - HOUSTON CHAPTER

Each year, the Texas Association of Sports Officials Baseball - Houston Chapter awards scholarships to varsity baseball players in the Greater Houston area who are not receiving any type of athletic grant-in-aid to an institution of higher learning. In addition to their participation in high school baseball, the nominees for this award must also have shown exceptional academic achievement in their high school, as well as service to the community.

Their baseball coach must nominate each recipient, and also have letters of recommendation from a high school counselor or teacher, and one letter from a person within the community not affiliated with any school district.

Each fall, the Umpires organize a tournament to raise the funds for these scholarships and each year it has become more successful than the previous. Dozens of TASO members donate their time and efforts for this cause. Our organization is honored and privileged to provide some financial support for these kids to continue their education. We are committed to not only support these kids, their coaches, and parents on the field but also off the field in a way that will have a very positive impact in the high school baseball community here in Houston.

The Houston Chapter is extremely proud to make these awards. This year, the Houston Chapter will award 18 / \$2000 scholarships for a total of \$36,000. The Houston Area Baseball Coaches Association and the baseball community would like to commend the Houston Chapter-Baseball of TASO for their diligence in this effort.

SCHOLARSHIP WINNERS - 2006

Benjamin Dickerson - Bay. Sterling
Dale Langdon - C.E. King
Beau Ballard - Conroe
Trey Patterson - Crosby
Christopher Gilbert - Lamar Cons.
Tyler Guillen - Oak Ridge
Patrick Pederson - Pearland
Patrick Martindale - Santa Fe
Vice Maida - Waltrip

Joseph Ickes - Bay. Sterling
Eric Welsch - Cinco Ranch
Kendall - Conroe
Patrick Connor - Dickinson
Joshua Marshall - Northshore
Marcus Howard - Oak Ridge
Connor Ramsey - Pearland
James Wilhelm - Santa Fe
Rory Miller - The Woodlands

HABCA SCHOLARSHIP WINNERS

KAYLEE YOUNGBLOOD - HIGHTOWER

JAMIE JANCZAK - MORTON RANCH

CHELSEA CARTER - SWEENY

HABCA / HALL OF HONOR

The purpose of the Houston Area Baseball Coaches Association is to promote the game of baseball in the Houston Area, which we think is the best in the state of Texas.

We are showcasing our best talent with these All-Star games. A combine was held for college/pro scouts for graduating seniors and nominated juniors. A clinic is held in December to discuss and provide information on issues pertaining to baseball, high school athletics and exchange information on techniques, successes and challenges that we as high school coaches have. Also, we produce a "Don't Drink / Don't Drive" poster featuring a player representative from each school in the Association.

Finally, we have created a Hall of Honor, for those who have helped promote the game of baseball on the high school level in Houston and to whom we owe our success and opportunities to. Today, we would like to honor:

BOB HUTSON

He was born in Lufkin and graduated from Lufkin High School in 1948. He attended Sam Houston State Teacher's College and played baseball in 1949 and 1950. During the Korean War, he joined the U.S. Army, serving in the VII Corps. He coached the VII Corps baseball team in Stuttgart, Germany.

After the service, he attended the University of Houston, earning a Bachelor of Science degree. From 1954 to 1976, he was the Athletic Director and coached at two schools in Houston---St. Rose and St. Pius High School.

During these years, he did much to promote baseball in Houston. In the mid 1950's, he helped to promote an American Legion Baseball League. He originated and directed the Houston Coaches Invitational Baseball Tournament, the largest high school baseball tournament in Texas. It was later renamed the Ewell Jackson Baseball Tournament, which is still the largest in-season tournament with 32 high school teams.

He helped organize the College Baseball League and served as a director for 4 years. In the early 1960's, he coached Houston Amateur Baseball for several years and won a national championship. In 1962, he and Ray Knoblauch (Bellairre), organized the Northwest Colt League. In its first year, the Northwest All-Stars won the Colt League World Series.

In 1973, he was honored with a trophy by Houston area high school coaches for "outstanding dedication to improve baseball in the Greater Houston Area". He also was one of the founding fathers of the Texas High School Baseball Coaches Association and helped direct the 1st State All-Star game in the Astrodome.

After leaving Houston in 1976, Bob returned to East Texas and served as athletic director and coach in several other schools in the Crockett ISD, Latexo ISD, Palestine ISD, and Lovelady ISD. He retired in 1994.

ROBERT AKINS

He was born in Omaha, Nebraska, and graduated from New Boston High School in 1950. He joined the U.S. Navy and was discharged in 1954. He attended Stephen F. Austin State University and graduated in 1958. He started his coaching career at Smiley High School in northeast Houston.

After several years, he moved to the Houston Independent School District and began coaching at Waltrip High School. He became the head baseball coach in 1968. Numerous players went on to play college and professional baseball.

In 1973, he and other coaches wanted an association just for baseball coaches and a State All-Star game. They were told, "Like hell you will". That just made them more determined and now he is one of the founding fathers of the Texas High School Baseball Coaches Association. It has grown into the largest state baseball organization in the world.

He moved from coaching to the Director of Joe Kelly Butler Stadium. He retired to East Texas in 1986 after 31 years of service in public education. He was inducted into Texas High School Baseball Coaches Association's Hall of Fame in January of 2006 in Waco.

He was married 49 years to his wife, Tyann, who passed away in March.
